

Inside S4 Camps

A Parent's Guide to The S4 Experience

What Makes S4 Different

S4 Camps are designed to keep kids active, engaged, and part of a team. Our structured camp system combines organized games, team competition, and positive coaching to create The S4 Experience.

Organized Games

Every day follows a structured schedule so campers stay active and involved. Our coaches lead games and activities throughout the day so kids are always part of the action.

Team Competition

Every camper joins one of four teams:

Red Team

Blue Team

Green Team

Yellow Team

Teams earn points throughout the week in games and challenges.

The Championship

At the end of the week, the team with the most points wins the S4 Championship Trophy. The final celebration is one of the most exciting moments of camp.

The First Day at S4 Camps

The first day of camp is all about helping campers get comfortable, meet their teammates and coaches, and begin building their team identity.

Morning Check-In

Each morning campers check in with our friendly staff at the check-in table. Parents are welcome to walk their child in — especially on the first day — and help them get settled.

After putting their belongings down, campers head into the free play area, where the day begins with active fun.

We fill the space with footballs, basketballs, frisbees, bouncy balls, and other equipment so campers can immediately start playing and getting to know each other.

Our coaches supervise the free play area and are eager to welcome campers, learn their names, and help them jump right into the fun.

Team Creation, Names & Flags

To create fair competition, teams are built with a balanced mix of camper grade levels.

Once teams are set, campers choose a team name that includes their color.

Red Dragons
Blue Bears
Green Giants
Yellow Lightning

Teams then decorate their team flag, adding drawings, their mascot, and even their own names to the design.

The flag stays with the team all week as they compete in games and challenges.

At the end of camp, one camper from each team takes the flag home as a keepsake.

Games, Points & Competition

Earning Points

Campers earn points for their team throughout the day during games and challenges.

When a team wins a game or completes a challenge, they earn point cards that campers proudly place in their team's color bucket.

These points add up throughout the week as teams climb the S4 scoreboard, building excitement and friendly competition across camp.

The Scoreboard

Points are tracked on the S4 scoreboard throughout the week so teams can see how they are doing.

This friendly competition keeps campers motivated, encourages teamwork, and builds team pride throughout the week.
